GUEST GUIDE

Thanks for considering a visit to Central! Hopefully the questions and answers below will help you feel more comfortable the first time you visit.

Where should I park?

Central has parking lots on both sides of the building. Park wherever you'd like.

What should I wear?

Come as you are. People at Central wear everything from jeans to suits.

How do I know where to go?

When you walk in the double doors on either side of the church, you'll see the Connection Central desk. This is the best place to get directions or learn more about Central.

You'll also receive a welcome bag here and can turn in a completed connection card so Central knows how to serve you. Don't worry – no one will show up on your doorstep or and we won't sell your info. 😊

For contemporary worship led by the Mosaic worship team, follow signs to the Worship Center. **For traditional worship** led by the Chancel Choir and organ, follow signs to the Sanctuary.

Where do I take my children?

Central offers fun, engaging, age-appropriate, and bible-centered programs for infants – 5th graders at both 9:00 am and 10:30am.

If you're visiting for the first time, stop by the children's check-in area on the far end of the main Concourse and a team member will help you register your child and provide your child with a welcome gift.

We ask that all parents provide a cell phone number and keep your phone on vibrate in the event that you are needed during the worship service. We will contact you by text, asking you to report back to the children's check-in area.
